### Chapter 1   General Requirements

- **Article 1** Applied
- **Article 2** Applied
- **Article 3** Applied
- **Article 4** Applied
- **Article 5** Applied
- **Article 6** Applied

### Article 7

- **1** Applied
- **2** Applied
- **3** Applied
- **4** Not applied
- **5** Applied
- **6** Applied

### Article 8

- **1** Not applied
- **2** Applied

### Article 9

- **1** Not applied
- **2** Applied

---

### Chapter 2   Requirements for design and manufacture

- **Article 1** Not applied
- **Article 2** Not applied
- **Article 3** Not applied
- **Article 4** Not applied
- **Article 5** Not applied
- **Article 6** Not applied
- **Article 7** Partially applied
- **Article 8** Not applied
- **Article 9** Not applied
- **Article 10** Not applied

---

### Quality performance items in JIS T 6102

- **(1) Appearance**
- **(2) Chemical components**
- **(3) Internal defects**
- **(4) Tensile strength and elongation**
- **(5) Liquation (nickel)**
